**Save the Date for the 2022 Alliance Partner Technical Symposium**

DMTF will host its annual [Alliance Partner Technical Symposium \(APTS\)](#) as a hybrid event, with options to attend in person in Portland, Oregon or to attend virtually. Save the dates and mark your calendar to join us for APTS 2022, being held July 25-29, 2022.

Featuring collaborative working group meetings, focused on technical topics of interest to DMTF's Alliance Partners, the symposium will also include keynote addresses from CXL Consortium and other standards organizations.

Stay tuned for information about event registration, hotel accommodations, and more.

Don't miss out on the opportunity to participate in some of the most important technical work of the year. For more information click [here](#).

**Did You Know DMTF Has a YouTube Channel?**

Have you checked out [DMTF's YouTube channel](#)? This resource offers short technical webinars and tutorials on a variety of topics related to Redfish and other DMTF standards.

The channel features our "Redfish School," a variety of tutorials including Redfish Model Architecture; Common Properties; Chassis, Systems and Managers; Introduction to CSDL; Advanced Communication Devices; event presentations and more. In addition, over the last year we have added four webinars that support the recent Redfish releases of 2020.4 through 2021.4.

Visit today to see the latest videos and be sure to subscribe to the [DMTF YouTube Channel](#) to stay up to date with our upcoming tutorials and webinars!

**Educational Resources at your Fingertips!**

Did you know DMTF's [Education](#) area on the website offer visitors direct navigation and access to new materials? It also highlights the [latest educational information and featured resources](#) while providing visitors with a broad collection of information and most recent materials. Be sure to check it out!

The [Education](#) landing page showcases key resources, which changes on a regular basis, and visitors will also find pages for [Presentations](#), [White Papers](#) and [Webinars](#) – all of which update automatically when DMTF shares new content. In addition, there are pages for [Open Source](#) information and [Newsletter](#) sign-up.

Be sure to add these pages to your bookmarks and check back often!

**In Case You Missed It****DMTF Membership Invoices are Now Due**

Your company's billing contact should have received an invoice from DMTF for the upcoming membership year, which runs April 1, 2022 to March 31, 2023.

Not sure if your membership dues have been paid? Contact the membership team at [admin@dmf.org](mailto:admin@dmf.org).

**Webpage Highlights Adopters of DMTF Standards**

DMTF specifications can be found in millions of products, but most people have no idea which products support DMTF standards.

The organization has created a [webpage](#) where companies can showcase which standards they have adopted or implemented.

This list will continue to grow as more companies choose to be included. Has your company adopted or implemented a DMTF standard? If so, would your company like to be listed as an adopter on our website? [Contact us](#) for more information on how to be added to this list.
