<del>1</del> 5	Introduction

- 46 This document describes the DMTF record retention and destruction policies.
- 47 This document was prepared by the Executive Committee.
- 48 DMTF is a not-for-profit association of industry members dedicated to promoting enterprise and systems
- management and interoperability. For information about the DMTF, see <a href="http://www.dmtf.org">http://www.dmtf.org</a>.

# **DMTF Document Retention and Destruction Policy**

#### 1 Roles and responsibilities

- 52 This clause of the document defines the roles and responsibilities of the DMTF Document Retention and
- 53 Destruction Policy.
- In the event that the Executive Director is unavailable, the Secretary (and if they are the same person, the
- 55 Assistant Secretary) may temporarily act in their stead with respect to the processes defined in this
- 56 document provided at least three other DMTF Executives have given their approval. This document is
- also subject to the rules and responsibilities specified in DSP4014.

## 2 Retention and destruction policy

- 60 The DMTF Document Retention and Destruction Policy addresses the retention and destruction of
- 61 records pertaining to corporate governance; corporate finance and operations; and correspondence and
- 62 records related to member contributions to the creation of specifications and standards. Where
- discrepancies occur (for example, correspondence relevant to a standard), the longer of the two retention
- 64 periods shall apply.
- The definitive official copies of documents stored on paper media are stored at the headquarters office.
- 66 Documents stored in electronic or digital form will be maintained on servers or devices under the control
- 67 of DMTF.
- 68 Documents under the control of DMTF in whatever form shall be retained according to the DMTF Record
- 69 Retention Schedule (see Table 1). Destruction shall mean any of deletion, recycling, or discard. Secure
- 70 destruction shall mean any of incineration, shredding, or secure erasure as appropriate to the storage
- 71 media type. DMTF may or may not destroy or securely destroy nondefinitive or duplicate copies at any
- 72 time.

82

- 73 DMTF management will, under guidance of DMTF counsel, circulate staff communications directing the
- 74 suspension of any destruction of paper or electronic documents when appropriate, relevant to any
- 75 ongoing or anticipated government investigations, proceedings, or litigation; or when DMTF has received
- 76 a mandatory order to produce information. Thereafter, routine document destruction can only resume with
- 77 approval of DMTF counsel.
- 78 DMTF staff, under the direction of the Executive Director, will execute this policy as s/he instructs.
- 79 A one-time review of all document types will be conducted before September 2015 to identify those
- 80 records that should have already been destroyed and to implement a procedure by which timely
- 81 document destruction can be accomplished.

#### 3 DMTF record retention schedule

- 83 "Indefinite" means that records are never destroyed and that measures are in place to avoid accidental or 84 attempted deliberate destruction.
- 85 "x Years" means that records MAY be destroyed x years after the most recent modification or amendment
- to the record and SHOULD be destroyed as soon thereafter as is administratively feasible.
- All references refer to records maintained by DMTF and not those that may be retained by third parties.
